# LEARN FROM THE VISIONARIES AND THE INDUSTRY EXPERTS

## Develop the Must-have Qualities and Employability Skills for a Better Logistics Career

All of our instructors have real-life work experience in their fields. But in addition, Camford Institute of Management organizes many industry expert talks to help students see real life examples of what their career future could look like, and what it takes to achieve their dreams.

## WHY PURSUE A CAREER IN LOGISTICS?

Logistics and supply chain management is **regional, national and global - it is everywhere**. Without it, the wheels of industry and ultimately the world economy would grind to a halt. Once considered 'trucks and sheds' and a low-skilled industry, logistics and supply chain management today is emerging as a **highly desirable sector for employment** providing an exciting high-tech career.
